

Bangladesh Army University of Engineering & Technology (BAUET)

Qadirabad Cantonment, Natore-6431

Department of Information and Communication Engineering (ICE)

Employer's Feedback Form

Questionnaire Tracing the Graduates (Alumni) of department of ICE, BAUET

This questionnaire was designed to conduct a tracer study by collecting information about our Graduates. You are requested to kindly fill in this questionnaire and return it duly to the office of the department of ICE by email to head_ice@bauet.ac.bd.

Information of Employee:

Name : _____ Designation : _____
Joining Date : _____ Duration of work : _____
Student ID : _____ Batch No : _____

N.B.: To be fill-up by immediate controlling official/boss of employee.

POs	Attributes	Question	Score (out of 10)
1	Engineering Knowledge	How do you score Employee's ability to apply basic and engineering fundamental knowledge to find solution of complex engineering problems?	
2	Problem Analysis	How do you rate Employee's ability to analyze complex engineering problems reaching substantiated conclusions?	
3	Design/ Development of Solutions	How do you rate Employee's ability to design solutions for complex engineering problems that meet the specified needs with appropriate consideration for public health and safety as well as cultural, social and environmental concerns?	
4	Investigation	How do you rate Employee's ability to design and conduct engineering experiments with analysis and interpretation of experimental data for solving real life problems?	
5	Modern Tool Usage	How do you assess Employee's ability to select and use modern engineering and IT tools and techniques to complex engineering activities?	
6	Engineer and Society	How do you rate Employee's ability to assess societal, health, safety, legal and cultural issues and the consequent in professional engineering practice in your daily life?	

7	Environment and Sustainability	How do you score Employee's ability to demonstrate the knowledge of need for sustainable development and evaluate the impact of engineering solutions in societal and environmental contexts?	
8	Ethics	How do you score Employee's ability to practice good professional ethics and commitment to professional responsibilities?	
9	Individual Work and Teamwork	How do you evaluate Employee's ability to function effectively as an individual and as a member or leader in diverse teams?	
10	Communication	How do you assess Employee's ability to communicate effectively on complex engineering activities within the engineering community at large by writing report and making effective presentation?	
11	Project Management and Finance	How do you rate Employee's knowledge in project management and finance after completing graduation?	
12	Lifelong Learning	How do you score Employee's ability to recognize the need for lifelong learning and enrich himself/herself by undertaking self-study?	

Comment (if any):

Information of the official filling the form:

Name : _____

Designation : _____

e-mail : _____ **Phone:** _____

Signature : _____ **Seal:** _____ **Date:** _____

*****Thank you for your kind cooperation*****
