

Bangladesh Army University of Engineering & Technology (BAUET)

Qadirabad Cantonment, Natore-6431

Department of Information and Communication Engineering (ICE)

Graduate Feedback Form

This questionnaire was designed for indirect assessment of Program Outcome (PO) by the Graduates of B.Sc. in ICE program. This form will be fill-up by the Graduates on the day of study completion.

1. Name of the Graduate : Male Female _____
2. Student ID : _____
3. Batch No. : _____
4. Permanent Address : _____
5. Contact No. : _____
6. E-mail Address : _____
7. Final CGPA : _____
8. Thesis Topic : _____
9. Study Completion Semester & Year : _____

10. Questionnaire for Indirect Assessment of POs:

POs	Attributes	Question	Score (out of 10)
1	Engineering Knowledge	How do you score your ability to apply basic and engineering fundamental knowledge to find solution of complex engineering problems?	
2	Problem Analysis	How do you rate your ability to analyze complex engineering problems reaching substantiated conclusions?	
3	Design/ Development of Solutions	How do you rate your ability to design solutions for complex engineering problems that meet the specified needs with appropriate consideration for public health and safety as well as cultural, social and environmental concerns?	

4	Investigation	How do you rate your ability to design and conduct engineering experiments with analysis and interpretation of experimental data for solving real life problems?	
5	Modern Tool Usage	How do you assess your ability to select and use modern engineering/IT tools and techniques in complex engineering activities?	
6	Engineer and Society	How do you rate your ability to assess societal, health, safety, legal, cultural issues and the consequent in professional engineering practice in your daily life?	
7	Environment and Sustainability	How do you score your ability to demonstrate the knowledge of need for sustainable development and evaluate the impact of engineering solutions in societal and environmental contexts?	
8	Ethics	How do you score your ability to practice good professional ethics and commitment to professional responsibilities?	
9	Individual Work and Teamwork	How do you evaluate yourself to function effectively as an individual and/or as a member and/or leader in diverse teams?	
10	Communication	How do you assess your ability to communicate effectively on complex engineering activities within the engineering community at large by writing report and making effective presentation?	
11	Project Management and Finance	How do you rate your knowledge in project management and finance after completing graduation?	
12	Lifelong Learning	How do you score your ability to recognize the need for lifelong learning and enrich yourself by undertaking self-study?
